Re: Amendment to NRC Radioactive Materials License #13-17793-02

Gentlemen:

We request amendment to our NRC Radioactive Materials License #13-17793-02 for the following:

MOVE OF EQUIPMENT Change in location of single photon bone densitometer containing an Iodine-125 source from the Nuclear Medicine Department, St. John's Medical Center, 2015 Jackson Street, Anderson, Indiana to new location at The Women's Center, Medical Arts Building, Anderson, Indiana. (The Medical Arts Building is connected to the hospital). Enclosed is a facility sketch of where the bone densitometer will be located.

We trust the information contained herein is sufficient to grant our request for this amendment. We look forward to receipt of that document.

Sincerely,

Sister Michaelen, C.S.C.

Sister Michaelen, C.S.C.
President
