Harper-Grace Hospitals
Harper Division
Radiation Oncology
ATTN: Mr. Curt Smith
Associate Administrator
3990 John R
Detroit, MI 48201

Gentlemen:

Enclosed is Amendment No. 14 to your NRC License No. 21-04127-06 in accordance with your request.

Please note that Condition 24. was added to your license to accomodate the possession of depleted uranium as shielding in your teletherapy units.

If you have any questions or require clarification on any of the information stated above, you may contact us at (312) 790-5625.

Sincerely,

Original Signed By
William J. Adam, Ph.D.
