Re: Freedom of Information Act Request

Dear Mr. Felton:

Pursuant to the Freedom of Information Act (5 U.S.C. 552) and NRC Regulations (10 CFR Part 9), we hereby request copies of all correspondence, testimony, memoranda, reports and other documents provided by the NRC, its Staff, and consultants to any Member of Congress or to any Congressional committee or Subcommittee regarding any escalated enforcement action commenced against any power reactor licensee or construction permit holder since January 1, 1984. We define "escalated enforcement action commenced" to mean the issuance of a Notice of Violation and Proposed Imposition of Civil Penalty pursuant to 10 CFR 2.201 and 2.205. Accordingly, our request encompasses both pending and completed enforcement actions commenced since January 1, 1984.

We also request copies of all letters, documents, memoranda, Congressional hearing transcripts and other materials received by the NRC, its Staff or consultants from any Member of Congress or from any Congressional Committee or Subcommittee regarding the class of enforcement actions identified in the preceding paragraph. This aspect of our request encompasses telephone logs prepared by the NRC, its Staff or consultants documenting conversations with any member of Congress or with any Congressional Committee or Subcommittee regarding the class of enforcement actions identified in the preceding paragraph. Our request contemplates the production of all such communications, including communications from Congress to the Commission prior to commencement of enforcement actions.

We would appreciate your prompt response to this request.
