RE: License #37-01072-01

Gentlemen:

We are in the process of opening a diagnostic nuclear imaging department at St. Francis Medical Center North, One St. Francis Way, Cranberry Township, PA 16046.

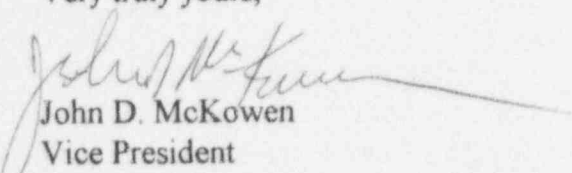

Please amend our license to allow us to use radiopharmaceuticals at St. Francis Medical Center North. Enclosed you will find a diagram showing the details of the nuclear medicine department and its surroundings.

The radiopharmaceuticals will be delivered directly to the site by one of the radiopharmaceutical companies in Pittsburgh. There will be a dose calibrator to assess the activity of the dose. An ADAC gamma camera will be installed for imaging. Physicians who are authorized users on our existing license at St. Francis Medical Center will be interpreting the images.

Enclosed you will find a check for \$430.00 to cover the amendment fee. If you have any questions, you can contact my office or contact Krishnadas Banerjee, Ph.D., our radiation safety officer. His telephone number is (412) 622-4062.

Thank you.
