Attention: Mr. Aubrey A. Stanford
Safety Manager

Gentlemen:

Enclosed is the NRC license renewal which you requested.

Please review the enclosed document carefully and be sure that you understand all conditions. If there are any errors or questions, please notify us so that we can provide appropriate corrections and answers.

Please note that License Condition 14. requires that any maintenance of the gauges involving dismantling, removal of source holder(s), etc., must not be performed by the user and must only be performed by the manufacturer of the device. If you wish to conduct such activities, you should request a license amendment. You should submit the information as described on page 9 of the enclosed guide.

Any future correspondence relating to your license should specifically reference your license and docket numbers to expedite your inquiry.

Sincerely,
