Attention: Aubrey A. Stanford
Safety Manager

Gentlemen:

This is in reference to your application dated May 23, 1985 to renew your byproduct material license. In order to complete our review, we need the following additional information:

Please describe the training which Mr. Stanford has received in the use of the portable moisture/density gauges listed on your license. If his training was provided by someone other than a gauge manufacturer, please state the company name, their location, and their NRC or agreement state license number.

Also, please note the new address for this office.

We will continue the review of your renewal request upon receipt of this information. You should submit your response within thirty (30) days from the date of this notice. Please reply in duplicate, and refer to Mail Control No. 18997.

Sincerely,
