Re: License #20-19545-01 Renewal

Gentlemen:

It is our intent to RENEW this license in order to be able to continue to operate our gas chromatograph.

The original license continues to be valid in all respects, except as follows:

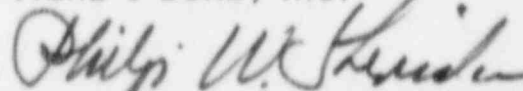

- (a) The name of the firm was changed, effective April 1, 1984 from Tighe & Bond/SCI to Tighe & Bond, Inc.
- (b) The laboratory personnel authorized to operate the gas chromatograph are as follows:

- Carol Sacco, Laboratory Director
- Peter Law, Laboratory Manager
- Virginia Weisse, Laboratory Technician
- Elaine Longchamps, Laboratory Technician
- Julie Mercure, Laboratory Technician

We have reviewed Paragraph 170.31, Section J and believe that the fee for renewal is \$120. Accordingly, we enclose a check in the amount of \$120. If this is not correct, please notify us as to the proper amount and we will forward a revised check.

Very truly yours,

TIGHE & BOND, INC.

Chief Engineer
