IN RESPONSE REFER
TO FOIA-86-22

Dear Dr. Reytblatt:

This is in response to your letter dated January 6, 1986, in which you requested, pursuant to the Freedom of Information Act (FOIA), three categories of records in the NRC Office of Inspector and Auditor (OIA).

With regard to category one, the enclosed Appendix A is a list of records in OIA files subject to your request.

With regard to category two, the two records described on the enclosed Appendix B are not provided because they are records previously submitted by you. We assume these two records are still in your possession.

With regard to category three, enclosed is a copy of an undated document entitled "Report of Interview," created by OIA, which summarizes an interview with you and investigators Charles R. Kraus and Lyle B. Smith, OIA, on January 3, 1986.

Sincerely,

A handwritten signature in cursive script that reads "Donnie H. Grimsley".
