Dear Mr. Christie:

As per your request dated April 17, 1997, I have added your name to the cc: list for Nuclear Regulatory Commission correspondence related to the Atlas Corporation uranium mill in Moab, Utah. Your suggestion that some parties only receive a notice of documents was considered. However, the added complexity of having two kinds of mailings for each document does not appear to be warranted by the potential savings in reproduction and mailing costs.

If you have any questions, please call me at 301-415-6629.

Sincerely,

(Original signed by)
