Amendment No. 03

Manville Building Materials Corporation  
814 Richmond Avenue  
P.O. Box 428  
Richmond, IN 47374

In accordance with letter dated December 17, 1985, License Number 13-02968-03 is amended as follows:

Condition 12., 15., and 18. are amended to read:

12. Licensed material shall be used by, or under the supervision of, James Mitchell Snider.
15. Installation, initial radiation survey, relocation, or removal from service of devices containing sealed sources shall be performed by and in the physical presence of James M. Snider or by persons specifically licensed by the Commission or an Agreement State to perform such services. Maintenance and repair of devices and installation, replacement, and disposal of sealed sources shall be performed only by persons specifically licensed by the Commission or an Agreement State to perform such services.
18. Except as specifically provided otherwise in this license, the licensee shall conduct its program in accordance with the statements, representations, and procedures contained in the documents including any enclosures, listed below. The Nuclear Regulatory Commission's regulations shall govern unless the statements, representations and procedures in the licensee's application and correspondence are more restrictive than the regulations.
  - A. Application dated April 1, 1983;
  - B. Letter dated May 16, 1983 (with attachments); and
  - C. Letter dated December 17, 1985.
