Dear Ms. Elliott:

Per today's telephone conversation, please find enclosed (1) NRC Management Directive 5.6, "Integrated Materials Performance Evaluation Program (IMPEP)," and (2) List of NRC Training Courses Available for Attendance by Agreement State Personnel in Fiscal Year 1997. Those courses that are highlighted are considered to be "core" courses for Agreement State radiation control program personnel. Also considered "core" courses are the 5-week Applied Health Physics course conducted by Oak Ridge and the Teletherapy and Brachytherapy course conducted by another NRC contractor, neither of which are shown on the second enclosure.

If you have any questions, please contact me at (301)-415-3340.

Sincerely,
