

NOTATION VOTE

RESPONSE SHEET

TO: John C. Hoyle, Secretary

FROM: COMMISSIONER DIAZ

SUBJECT: SECY-97-101 - PROPOSED RULE, 10 CFR SECTION  
50.76, "REPORTING RELIABILITY AND  
AVAILABILITY INFORMATION FOR RISK-  
SIGNIFICANT SYSTEMS AND EQUIPMENT"

Approved ✓ Disapproved \_\_\_\_\_ Abstain \_\_\_\_\_

Not Participating \_\_\_\_\_ Request Discussion \_\_\_\_\_

**COMMENTS:**

I approve the staff's recommendation to accept the voluntary approach proposed by the industry to provide NRC with reliability and availability data.

As we implement this voluntary approach, I encourage the staff to provide feedback to the industry and continue discussions with INPO and other industry representatives to ensure the data base satisfies the needs of the NRC as well as the industry users.
