NUCLEAR REGULATORY COMMISSION
DOCKET NO. 50-409
LACROSSE BOILING WATER REACTOR
CLOSING OF LOCAL PUBLIC DOCUMENT ROOM

Notice is hereby given that the Nuclear Regulatory Commission (NRC) is closing the local public document room (LPDR) for records pertaining to the Dairyland Power Cooperative's LaCrosse Boiling Water Reactor (BWR) located at the LaCrosse Public Library, LaCrosse, Wisconsin, effective June 30, 1997.

The LaCrosse Public Library has served as the LPDR for the LaCrosse BWR for 25 years. In a letter dated February 14, 1997, the library director officially informed the NRC that they no longer wish to serve as the LPDR since there is no longer a demand for the document collection. NRC has made the decision to officially close the LaCrosse LPDR because none of the libraries in the vicinity of the facility are interested in maintaining the document collection, the facility has been shut down since 1987 and is in the SAFSTOR method of decommissioning, and there has been no demonstrated local public interest in the LPDR materials for a number of years. Therefore, effective June 30, 1997, the LPDR will be closed.
