FROM: John C. Hoyle, Secretary

SUBJECT: STAFF REQUIREMENTS - SECY-97-109 - TECHNICAL

1. The Federal Register notice (FRN) and the TAR should be revised to correctly identify the amended license as Materials License No. 24-00513-39, where appropriate.
2. In the first paragraph of the FRN, line 4, place a hyphen between the letters P and S in the word "TRUMPS."
3. The first paragraph of the Summary section of the FRN should provide the date of the amendment of the license.
4. The Opportunity for Hearing section of the FRN should be changed as follows:
 - a. In line 5, add a semicolon after the word Register.
 - b. In line 5, add the word 'the' prior to Executive within the parentheses.
 - c. In line 5, close the parentheses after Operations and then add 'and the Office of the General Counsel,' after the parentheses.
 - d. In line 6, remove the close parentheses after the zip code and insert a comma.
