Dear Mr. Reed:

We appreciate the cordial reception received by John Surmeier, David Tiktinsky, and me during our recent meeting in Oak Ridge on February 23, 1993. We thought the meeting was constructive and provided us with the information we needed.

I am enclosing copies of the attendance list and the scoping letters which you requested, a copy of NUREG-0650, Revision 1, "Publishing Documents in the NUREG Series," and a copy of the published Draft Environmental Impact Statement (NUREG-1476).

Thanks again for your help and the additional material you and Greg Zimmerman have sent by fax since our meeting. Please convey our thanks to Johnnie Cannon for his help and participation. You should receive a definitive answer from us in the near future.

Sincerely,
