Mr. R. B. Chitwood
Chief, Technical Support Branch
Directorate of Licensing
U.S. Atomic Energy Commission
Washington, D.C. 20545

Dear Mr. Chitwood:

This is in response to your request of April 18, 1974, for comments on the environmental statement for the operation of the Sequoyah Uranium Hexafluoride Plant, Sequoyah County, Oklahoma. Pursuant to its responsibilities under Section 102(2)(C) of the National Environmental Policy Act of 1969, the Advisory Council on Historic Preservation has determined that while you have discussed the historical aspects related to the undertaking, the Advisory Council needs additional information to adequately evaluate the effects on archeological resources. Please furnish data indicating:

- a. The nature and extent of archeological resources in the project area. } Response Needed
- b. The views of the State Historic Preservation Officer with respect to the undertaking's effect on cultural resources. The State Historic Preservation Officer for Oklahoma is Mr. George H. Shirk, President, Oklahoma Historical Society, 1108 Colcord Building, Oklahoma City, Oklahoma 73102.

Should you have any questions or require any additional assistance, please contact Jordan Tannenbaum (202-254-3974) of the Advisory Council staff.

Sincerely yours,

Ann Webster Smith
