VOGLE ELECTRIC GENERATING PLANT - UNITS 1 AND 2
EMERGENCY PLAN - REVISION 5

Dear Mr. Denton:

Georgia Power Company, acting on its own behalf and as agent for Oglethorpe Power Corporation, Municipal Electric Authority of Georgia, and the City of Dalton, Georgia, submitted Revision 5 to the Vogle Electric Generating Plant (VEGP) Emergency Plan (EP) on February 25, 1986.

This revision contained a typographical error in Table 0-2. The substance of the error was to delete a commitment to train communicators/recorders in communications and records. This commitment has always been an element of VEGP's EP. Since this deletion was a drafting error, no change bar is provided in Table 0-2.

This error will be corrected in Revision 6 of the VEGP EP. Should you have any questions on the enclosed submittal, please do not hesitate to contact me.

Sincerely,

J. A. Bailey
Project Licensing Manager
