License No. 34-15072-01

Gentlemen,

We request that our Materials License No. 34-15072-01 be amended.

It is requested that Samuel Hancock, M.S. be added as the Radiation Safety Officer. Mr. Hancock's training, background and experience are on file with the Commission under By Product Material License of Flower Memorial Hospital, Sylvania, OH, License No. 34-15184-01, where he is the Radiation Safety Officer.

It is also requested that Daniel Singer, M.D. be added for Groups I, II, III and IV and Xenon 133 for blood flow and pulmonary studies. He is, also, on file with the Commission under By Product Material License No. 34-15184-01.

In addition, we request this application amendment to amend Items 5, 9, 10, 17, 18, 21 and 24 as per the enclosed and Items 14, 15 and 19 in part as per the enclosed addendums. These changes reflect the improved revision of the Radiation Safety program for St. Charles Hospital.

In addition, we request David Close, Nuclear Medicine Associated Consultant, be added as the person to contact regarding this application.

Enclosed is the \$120 fee for this application.

Thank you for your prompt consideration of this application.

Respectfully,

William Jenks
