SUBJ: Renewal Application For By-Product
Material License - Industrial

Gentlemen:

Reference is made to your letter of October 1, 1985 concerning the renewal of our materials handling license No. 45-19543-01 which expires on January 31, 1986. We have prepared our renewal application in accordance with the instructions for license renewal which were attached to your letter.

The following are attached for your information, and use (two copies each).

1. Copy of 1980 license application which has been modified to reflect applicable changes.
2. Copy of our current license (no. 45-19543-01) which expires on January 31, 1986.
3. Copy of our letter dated November 26, 1980 which supplied requested information needed to complete the original application.
4. Copy of Application for Material License (form 313) if applicable.

We would like to amend the license as follows.

Item 12 - Change to read:

Licensed material shall be used by, or under the supervision and in the physical presence of Donald P. McConnell and other personnel who have completed the necessary nuclear safety training course.
