NOV 7 1972

Dr. Don L. Warner  
University of Missouri  
School of Mines and Metallurgy  
Department of Geological Engineering  
Rolla, Missouri 65401

Dear Dr. Warner:

This is to confirm our telephone conversation concerning the date set for a meeting requested by Kerr-McGee Corporation to further discuss their proposal for deep well disposal of wastes.

The best date and time for all concerned is 8:30 a.m., Monday, November 20, 1972. The meeting will be held in Conference Room P-114 at our offices located at 7920 Norfolk Avenue in Bethesda, Maryland.

We are enclosing for your information copies of our denial letter to Kerr-McGee and the comments the U. S. Geological Survey submitted to us regarding the proposal.

We shall look forward to meeting you and if I can be of assistance in making motel reservations let me know. There are three Bethesda motels within ten minutes walking distance of our building.

Sincerely,
