Good Afternoon Michelle.

Please withdraw our request for the amendment to our license. We can see on our Materials license, under condition 10, that the address we are requesting to add to our license is already listed.

Thank you for your attention to this matter.

Morning,

This email is in follow-up to our telephone conversation this morning concerning an

amendment request submitted by a member of your staff to change your location of use. The address that you are requesting to add to your license is already listed on your material license under License Condition 10. If this request was submitted in error, please withdraw your request. I'm working from home due to COVID19. Please respond by email or contact me at 972-765-0855.

Thanks
