Subject: Acknowledgment - Reply to a Notice of Violation

Good afternoon John,

This acknowledges receipt of the letter from McDowell and Associates dated January 22, 2020, in response to the U.S. Nuclear Regulatory Commission's (NRC) letter dated December 18, 2019, transmitting a Notice of Violation. In this letter, you identified the corrective actions that your company had taken, were in the process of taking, and planned to take to address the violations. The NRC subsequently requested additional information to confirm that full compliance had been restored. In emails dated May 11 and May 13, 2020, your staff provided this information.

The NRC has reviewed your corrective actions, which appear to be adequate, and has no further questions at this time. The effectiveness of these actions will be examined during a future inspection.

In accordance with Title 10 of the *Code of Federal Regulations* 2.390 of the NRC's "Rules of Practice," a copy of this correspondence will be available electronically for public inspection in the NRC's Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC's website at <http://www.nrc.gov/reading-rm/adams.html>.

Please feel free to contact me if you have any questions. Thank you!
