Could somebody send me or Jim Smith the reference for Wong et al. (1984) given in RAI 2.4-1 on page 2 of the November 11, 2019 Group 2 RIA Responses?  
Thanks, Hans Arlt

**Subject:** [External\_Sender] UNC Responses to Request for Additional Information (Group 2) on the Application for Amendment of USNRC Source Material License SUA-1475 (2nd submittal)

Dear Mr. Smith,

On behalf of United Nuclear Corporation and the General Electric Company (UNC/GE), this email is to notify you that responses to the USNRC request for additional information (Group 2) on the Application for Amendment of USNRC Source Material License SUA-1475 for the United Nuclear Corporation Mill Site dated September 24, 2018 have been submitted. The responses included in this submittal are for RAI comments 2.2-1, 2.4-1, 4.3-2, 4.3-3, 4.4-1, 4.4-2, and 4.5-1. Responses to the remaining comments were provided to USNRC on October 14, 2019. The responses and associated revised sections of the application have been submitted electronically via the USNRC Electronic Submissions System and the requested modeling files will be provided to you on CD via US Mail. The tracking submission identification number is 29010. The transmittal letter and responses (excluding attachments to the responses) are attached for ease of reference.

Please contact me with questions on accessing the documents and contact Roy Blickwedel (UNC/GE) with questions on the submittal.

Thank you,  
Melanie
