7915 Eastern Avenue
Silver Spring, MD 20910

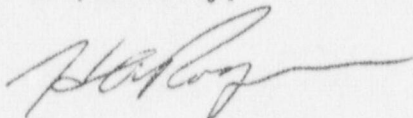

Gentlemen:

SUBJECT: OUTSIDE - STORED FUEL DISPOSITION

This letter confirms our telephone conversation of October 27, 1978, regarding 33 slightly irradiated fuel bundles formerly stored outside at Morris Operation in standard, new-fuel shipping boxes. The fuel was shipped to Nuclear Fuel Services, Irwin, Tennessee, in January 1976. Please call me if there are any questions about this fuel.

Respectfully,

H.A. Rogers
