TELEGRAM

To: Marshall E. Miller, Esq. Chairman
Atomic Safety and Licensing Board
JS Nuclear Regulatory Commission
Washington, D.C. 20555

Re: Portland, General Electric Co.
(Trojan Nuclear Plant) Docket No. 50-344
Control Building Proceeding

In response to the Board's Order of August 25, 1978, page 7, relating to scheduling, the State of Oregon expects to be able to serve prepared testimony on October 6, 1978, and will be prepared to begin hearings on interim operation as soon as October 18, 1978.

Furthermore, the State of Oregon will do whatever it can to accomodate the Board in its efforts to expedite the decision on interim operation.

John H. Socolofsky
Assistant Attorney General
