MEMORANDUM FOR: G. A. Arlotto, Director, Division of Engineering Standards
FROM: R. J. Mattson, Director, Division of Systems Safety
SUBJECT: TRANSFER OF LEAD RESPONSIBILITY FOR GENEXIC TASK ACTION
PLAN A-32

Effective September 15, 1978 the function of DSS cognizant engineer for Task A-32 will be transferred from D. Jeng to R. Lipinski. This change is part of continuing efforts in DSS to increase the emphasis on the management duties of line supervisors.

Mr. Lipinski has worked closely with Mr. Jeng and is current on the major facets of the program. Mr. Jeng will be available for guidance, if needed, during the transition period.
