Subject: Request for Proposal RS-GIE-78-309, Purchase, Installation, and
Maintenance of Analytical Equipment for use in an Environmental
Van

Dear Ms. Mattia:

With the exception of option "E" added on September 18, 1978 on our page 5,
as requested in NRC letter of September 15, 1978, Nuclear Data has not made
changes and does not intend changing our initial proposal.

The prices quoted in our offer dated August 25, 1978 in response to the request
for proposal referenced above are from our published price list dated Nov. 1, 1976.
Our prices, as published, are adhered to in all contract negotiations and therefore
constitute our best and final offer.

Sincerely,

J.K. Heraty
