Docket No. 50-352

Philadelphia Electric Company  
ATTN: Mr. V. S. Boyer  
Vice President  
Engineering and Research  
2301 Market Street  
Philadelphia, PA 19101

Gentlemen:

Subject: Investigation 50-352/78-08

This refers to the investigation conducted by Mr. J. P. Durr of this office on October 4-5, 1978, at the Limerick Generating Station, Unit 1, at Limerick, Pennsylvania, of activities authorized by NRC License No. CPPR-106 and to the discussions of our findings held by Mr. Durr with Mr. J. M. Corcoran of your staff at the conclusion of the investigation, and to a subsequent telephone discussion between Mr. Corcoran and Mr. J. Mattia on October 5, 1978.

Areas examined during this investigation are described in the Office of Inspection and Enforcement Investigation Report which is enclosed with this letter. Within these areas, the investigation consisted of selective examinations of procedures and representative records, interviews with personnel, measurements made by the inspector, and observations by the inspector.

Based on the results of this investigation, it appears that one of your activities was not conducted in full compliance with NRC requirements, as set forth in the Notice of Violation, enclosed herewith as Appendix A. This item of noncompliance has been categorized into the levels as described in our correspondence to you dated December 31, 1974. This notice is sent to you pursuant to the provisions of Section 2.201 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations. Section 2.201 requires you to submit to this office, within thirty (30) days of your receipt of this notice, a written statement or explanation in reply including: (1) corrective steps which have been taken by you and the results achieved; (2) corrective steps which will be taken to avoid further items of noncompliance; and (3) the date when full compliance will be achieved.

7812210892

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosures will be placed in the NRC's Public Document Room. If this report contains any information that you (or your contractor) believe to be proprietary, it is necessary that you make a written application within 20 days to this office to withhold such information from public disclosure. Any such application must be accompanied by an affidavit executed by the owner of the information, which identifies the document or part sought to be withheld, and which contains a statement of reasons which addresses with specificity the item which will be considered by the Commission as listed in subparagraph (4) of Section 2.790. The information sought to be withheld shall be incorporated as far as possible into a separate part of the affidavit. If we do not hear from you in this regard within the specified period, the report will be placed in the Public Document Room.

Should you have any questions concerning this investigation, we will be pleased to discuss them with you.

Sincerely,

Robert T. Carlson, Chief  
Reactor Construction and Engineering  
Support Branch
