Gentlemen:

Thank you for your letter of October 2, 1978, in response to our letter dated September 7, 1978, and the attached Notice of Violation. As a result of our review, we find that additional information, as discussed with your Mr. Adrian during a telephone call on October 19, 1978, is needed. Specifically, your reply did not address the corrective actions taken by management to avoid further noncompliance nor the date full compliance was or will be achieved regarding items 2, 3, 5, and 6 of our Notice of Violation. You should, therefore, submit this information within ten (10) days of your receipt of this letter so that we can continue our review of this matter.

Should you have any questions concerning this letter, please let me know.

Sincerely,
