Gentlemen:

This is in reference to your request in a letter dated February 26, 1987 to renew License No. SNM-1266. In order to continue our review, we need the following additional information:

Please describe what additional shielding you have provided to prevent streaming neutrons from escaping the side access ports of your source shield as discussed with our inspector at our last inspection of your facility.

We will continue our review upon receipt of this information. Please reply in duplicate to my attention at the Region I office and refer to Mail Control No. 106854.

In order to continue prompt review of your application, we request that you submit your response to this letter within 30 calendar days from the date of this letter.

Sincerely,

Original Signed By:
