The Honorable Richard G. Lugar  
United States Senator  
Room 447  
46 East Ohio Street  
P.O. Box 44122  
Indianapolis, IN 46244

Dear Senator Lugar:

This refers to our previous correspondence regarding Mrs. William Roberts and her concern that her husband died of radiation induced cancer.

As indicated in my letter to you dated *OCTOBER 17, 1978*, the Director of our Region III office and members of his staff met with Purdue University, IUPUI and State of Indiana personnel on October 13, to discuss the findings of our investigation ~~and~~ Later the same day a similar meeting was held with Mrs. Roberts.

Enclosed is a copy of our investigation report and copies of correspondence transmitting copies of the report to the above-mentioned parties.

If you have any further questions, please let me know.

Sincerely,

William J. Dircks  
Deputy Executive Director  
for Operations
