Re: License No. 12-19460-01

Gentlemen:

Please amend this license to read as follows:

1. Change our name to VCH, Inc. effective June 19, 1987.
2. Change Items 8A and 8B to read as follows:  
  
"8.A No single source to exceed 0.1 UCI, 50 CI Total.  
  
8.B No single source to exceed 0.1 UCI, 10CI Total."

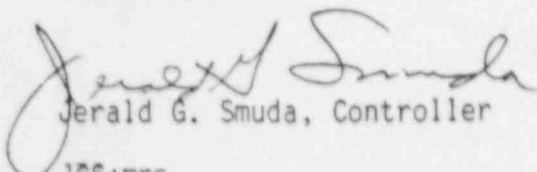

These changes will raise the maximum activity per source to agree with the activities in lamps we are authorized to redistribute under NRC License No. 12-19460-02E.

3. Change Condition 12 to authorize use by or under the supervision of:

Jerald Smuda, Controller  
John Maffett, Product Assurance Manager, or  
Steven L. Marder, Materials Manager

Our check for DLR 60 (Fee Category 3.P) is enclosed. Should you have any questions or require further information, please contact Eli Port at (312) 866-7744.

Sincerely,

Jerald G. Smuda, Controller
