Mr. Paul Guinn  
Nuclear Regulatory Commission  
Region II  
101 Marietta Street, N.W. Suite 2900  
Atlanta, GA 30303

Dear Sir:

Per our correspondence of May 13, and subsequent conversations with Ms. Heim, regarding the disposal of the five sealed sources at our location under license number 45-23016-01; this is to inform you that on July 27, 1987 a service representative of LFE Corporation was at our facility to inspect the packing of those sources. The material was then shipped to LFE Corporation in Clinton, Mass. I have enclosed a copy of the call report by the LFE representative as well as a copy of the bill of lading.

We now request the cancellation of our license and formal acknowledgement of same.

Sincerely,

VIRGINIA ABRASIVES CORPORATION

David Upton  
Plant Manager

RECEIVED, subject to the classifications and tariffs in effect on the date of the issue of this Bill of Lading, the property described above in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated above which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed as to each carrier or as to any of said property over all or any portion of said route to destination and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the bill of lading terms and conditions in the governing classification on the date of shipment.

Shipper hereby certifies that he is familiar with all the bill of lading terms and conditions in the governing classification and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.
