Dear Sir:

We have decided to dispose of all five sealed sources of 16 millicuries each in the LFE Model BG-1A Beta-gauges stored at our location under license number 45-23016-01.

We are contacting LFE Service for proper certification for transportation and for arrangement of transportation by a licensed carrier to an approved disposal site.

We will appreciate your formal approval for the disposal.

Thanking you,

Sincerely yours,

M. N. Banerjee
