SUBJECT: INSPECTION NO. 030-30599/97-001

Dear Mr. Amoroso:

This refers to your letter dated March 5, 1997, in response to our letter dated February 7, 1997.

Thank you for informing us of the corrective and preventive actions you documented in response to our correspondence. However, your letter has been reviewed and additional information is still needed.

Your response to apparent violation of 10 CFR 71 and 49 CFR 177.817(a) does not address the violation. 49 CFR 177.817(a) requires a shipping paper or bill of lading to accompany the transport of licensed materials outside of the confines of the licensee's facility.

Contrary to this requirement, a shipping paper did not accompany the transport of licensed material outside the confines of the licensed facility. Somerset County Department of Public Works is requested to determine the cause of this violation, state what corrective actions have or will be taken and the date when full compliance will be achieved.

Please submit to this office within seven (7) days of receipt of this letter a written statement containing the requested information.

Sincerely,
