Dear Mr. Cozens:

Thank you for agreeing to participate in the Ninth NRC Regulatory Information Conference, which will be held on April 1 - 2, 1997, at the Capital Hilton Hotel in Washington, D.C. The Division of Engineering is leading two Breakout Sessions, "Steam Generator Issues," which will be held on Tuesday, April 1, 1997, from 3:15 p.m. to 4:25 p.m., and "Reactor Vessel and Reactor Vessel Penetration Issues," which will be held on Wednesday, April 2, 1997, from 2:30 p.m. to 4:00 p.m.

Enclosed is the latest agenda and information on the Conference. A Speaker's package will be available for you in the Speaker's Room (California Room). Final information and any changes will be provided to you as soon as they become available.

Again, thank you for your participation. I look forward discussing these issues with you and other members of the industry and the public.

Sincerely,
