Dear Sir -

I am OUTRAGED at
your latest attempt to IGNORE
the health and safety of
the people of the United States!
I am referring to NUREG-0654
FEMA-REP-1, REV 1, SUPP 1.

Your latest proposed rule-change
will merely allow you to prove-
one more time - how you are
not only biased regarding utilities -
your agency is on bed with
them! This rule change will
allow your agency to license
Seabrook and Shoreham, and
in the process put the lives
of millions of people in
jeopardy.

I whole-heartedly oppose
this rule change! Why don't
you start doing the job the
NRC was established to do
in the first place - REGULATE
the utilities - not REWARD
them.
