IN RESPONSE REFER  
TO FOIA-78-258

Dear Mr. McLaughlin:

This is in response to your letter of September 29, 1978, in which you requested, pursuant to the Freedom of Information Act, records concerning institutions or groups authorized to perform clinical radioimmunoassay tests. Your letter was received by the Office of Administration on October 3.

Under separate cover we are sending copies of the four computer lists you requested, as well as copies of individual licenses. There are 4,642 licenses for in vitro testing, and 1,126 licenses for medical use of byproduct material. The charge for reproducing these, at \$.10 per copy, amounts to \$576.80. The charge for the computer printouts, which we are considering as one item, is \$6.13.

In your letter you agreed to pay for the copying charges. Please send a check payable to the Nuclear Regulatory Commission in the amount of \$582.93, together with a copy of this letter, to me at the above address.

Sincerely,

A handwritten signature in dark ink, appearing to read "J. M. Felton", is written over a faint, larger signature.
