V.A. Medical Center
ATTN: R.E. Struble
Medical Center Director
5000 West National Avenue
Wood, WI 53193

Gentlemen:

Enclosed is Amendment No. 58 to your NRC License No. 48-02130-02
in accordance with your request.

Please be advised that pursuant to the revision in entirety of 10 CFR Part 35
(copy enclosed), you are required to follow the regulations contained in 35.59
and Subpart G (35.400 through 35.420) regarding brachytherapy sources.

If you have any questions or require clarification on any of the information
stated above, you may contact us at (312) 790-5625.

Sincerely,

Original Signed By
Patricia J. Whiston
Materials Licensing Section

Confirming Action Letter (31 December 1986)
License No. 48-02130-02

James W. Fletcher, M.D.
Director, Nuclear Medicine Service (115)
Veterans Administration
810 Vermont Ave., N.W.
Washington, D.C., 20420

Subject: Request to amend our NRC License

In accordance with item number 3 of the above Letter of Understanding, please find attached the final draft of "Radiation Safety Procedures for Safe Handling of Isotopes During Therapeutic Implants".

Should this meet with your approval, we would appreciate it being forwarded to the NRC Region III.

Sincerely,

E. G. STRUBLE
Medical Center Director
