Harold Denton, Director  
Office of Nuclear Reactor Regulation  
U.S. Nuclear Regulatory Commission  
Washington, D.C. 20555

Dear Mr. Denton:

On October 13, 1978, I wrote to you requesting information about the Staff's planned compliance with Executive Order 11988 on Floodplains with respect to the Offshore Power Systems proceeding (Dkt. No. STN 50-437). I have not yet received an answer to that letter. I would appreciate it if you would answer my questions of October 13th as quickly as possible or explain to me why you cannot answer them.

Sincerely,

*Anthony Z. Roisman*
