March 24, 1986

United States Nuclear Regulatory Commission  
Nuclear Materials Safety Section  
Division of Radiation Safety and Safe Guards  
Washington, D.C. 20555

Gentlemen:

We would like to make formal application for renewal of our license issued as follows: St. Peter's Community Hospital  
2475 Broadway  
Helena, MT. 59601

30-10917

License # 25-12453-02  
Expiration date: 4-30-86  
Program code: 02120

After reviewing the license and its authorized uses, we feel that those stated quantities and authorized uses are adequate for our purposes, and we do not feel that at this time it is necessary to make any changes or deletions.

The documents submitted in the past do reflect up to date information concerning management control program, facilities, equipment, personnel, radiation safety procedures, waster disposal procedures and locations of use.

Upon review of the enclosed NRC regulations, our policies and procedures appear appropriate and up to date.

One change that should be made is that of hospital director. Mr. John Guy has replaced Mr. Howard Purcell as Hospital Administrator.

Included below are the names of those individuals who may be contacted with regards to any information regarding license renewal.

Joseph M. Rizza, M.D.  
Tel. #. (406) 444-2310

John Knebel, CNMT  
Tel. #. (406) 444-2310

Enclosed is a check to cover the licensing renewal fees.
