Subj: Amendment to NRC License #34-05015-01
expiring 1/31/90, Control No. 84464

Reference is made to our letter dated 11/30/87 and NRC
response dated 11/23/87, Control No. 84464.

Please delete our request regarding change of Radiation
Safety Officer, as Bruce Austin, Ph.D., has resigned
effective 1/14/88.

Khairon M. Ally, M.D., who is an authorized user on the
above referenced license, will continue to serve as Radiation
Safety Officer.

In addition, Lawrence A. Gilbert, M.D., also an authorized
user on above referenced license, is named as an alternate
Radiation Safety Officer.

The rest of the amendment application requesting addition of
Barry Allen Warner, D.O., as authorized user only for I-131
hyperthyroidism and carcinoma, remains unchanged.
