NRC PUBLIC DOCUMENT ROOM

November 27, 1978

Rick Kontar
617 Piper Lane
Lake Villa, Illinois 60046

Dear Mr. Kontar:

Enclosed herein please find a copy of Commonwealth Edison's "Additional Information on Proposed Expansion of Spent Fuel Storage Capacity" pertaining to Zion Station Units 1 and 2, dated November 8, 1978. It is our understanding that the NRC Staff will supply you with the remaining documents which have previously been filed in this case.

Sincerely,

Alan P. Bielawski
