IN RESPONSE REFER  
TO FOIA-78-127

Dear Mr. Balachandran:

This responds to your letter dated May 3, 1978, in which you requested, pursuant to the Freedom of Information Act (FOIA), access to (1) all documents pertaining to the maintainance, operations and safety of the Tarapur Power Plant, India, (2) the reports of Clifford Beck on the Tarapur Power Plant and, (3) documents relating to possible accidents which may have happened at the Tarapur Plant.

In response to your request, the documents listed in Appendix A have been placed in the NRC Public Document Room (PDR) located at 1717 H Street, N.W., Washington, D.C. Also, the NRC has received previous FOIA requests for documents subject to your request. The documents disclosed in response to these requests are also available for inspection and copying at the PDR. The FOIA response letters listed as items 1 through 7 on Appendix B have lists of the documents disclosed in response to these FOIA requests attached. In addition, documents relating to Tarapur Power Plant are also contained in PDR Docket Files 70-2131 and PDR Export Licensing Files 8-45 and 10-60.

Many documents relating to the Tarapur Power Plant were originated by other Federal agencies, and were subject to the previous FOIA requests. These documents were referred to the originating Federal agencies for appropriate disposition. The enclosed FOIA response letters listed as items 8 through 11 of Appendix B represent those agencies' responses regarding those documents. Lists of the documents disclosed by the agencies are attached to the response letters. You may wish to contact the appropriate agencies for access to the documents disclosed in their FOIA responses.

Two additional documents originated by the Department of State (DOS), not previously referred to DOS for action, is subject to your request. These documents are being referred to DOS for appropriate disposition and direct response to you..

The entire file on the Tarapur plant totals approximately 3600 pages. Copies of the entire file or individual documents may be obtained by ordering the documents from the PDR. The charge for reproducing records located in the PDR is eight cents (\$.08) per page, as specified in 10 CFR 9.14(a) of the Commission's regulations, a copy of which is enclosed. Billing will be made directly by the PDR reproduction contractor, Potomac Research, Inc.

Sincerely,

  
For: J. M. Felton, Director  
Division of Rules & Records  
Office of Administration
