Dear Sir:

This is in response to your letter we received 7 May 1987 in which you asked us to provide further training and experience information for Rachel Danzing and Sarah Bertalan. Ms. Danzing, our lab technician, and Ms. Bertalan, a trained paper conservator, will be working with the radioisotopes under my supervision until they acquire the necessary training. (My name is currently on the License No. 08-16422-02.)

I hope this information is sufficient for you to amend the license. Look forward to hearing from you,

Sincerely yours,

Nancy Ash
