Ref. Renewal Lic. 52-21051-01
Program Code: 02210

Dear Sirs:

In answer to the Notice of Expiration dated April 1, 1987
I am hereby requesting Renewal of my License No. 52-21051-01
for the use of radioactive materials in humans.

In support of this request, please find enclosed a complete
up-to-date Renewal License Application, prepared in accordance
with Regulatory Guide 10.8, Revision 2 (August 1985).
This document includes statements, conditions and procedures
contained in previously submitted applications and letters in
order to reflect my current program.

A check for \$580.00 (five hundred and eighty dollars) is also
enclosed as the proper fee for the renewal of a License category
as stated in 10 CFR-170.31 dated May 31, 1984.

I will be glad to provide any other additional information
deemed necessary.

Sincerely yours,

Hector R. Leon
