RE: Amendment of License
#35-19868-01
Reference #030-19447

Gentlemen,

We at American Logging & Perf., Inc. would like to amend Part 11 of our license #35-19868-01, Reference #030-19447.

Part 11 states as follows: Licensed material shall be used by, or under the supervision and in the physical presence of Larry K. Sunderland or individuals who have completed the Mid-Continent Nuclear Consultants training course in the use of the devices. The licensee shall maintain records of individuals designated as users.

We want to change it to state as follows: Licensed material shall be used by, or under the supervision and in the physical presence of Larry K. Sunderland or individuals who have completed the Mid-Continent Nuclear Consultant, Support Consultants & Associates, Gulf Nuclear or any other training course in the use of the devices licensed by the N.R.C. The licensee shall maintain records of individuals designated as users.

Enclosed is a \$170.00 amendment fee. We would appreciate a prompt reply. Thank You.

Sincerely,

Larry K. Sunderland
