Per my telephone conversation today with Mr. Rose of your office, I am sending a copy of the Wyoming DEQ Letter of Acceptance of the bond amount on mining permits 342 and 351C. As can be seen in their letter the bond amount for both permits together is \$3,386,301.00. The bond for permit 351C is for the amount of \$1,848,455.00 for which you have copies supplied by the state and by Petrotomics. I hope this may resolve any problems you may have had in this regard.

Should there be any further questions, please feel free to call.

Sincerely,
