Dear Dr. Reid:

It is my understanding that on May 31 and June 8, 1978 you may have sent me a letter concerning parts 40, 50, 70, and 73 of 10CFR. I do not remember having ever received these letters and wish to comment on them.

I would very much appreciate it if you would please see that I get copies of these letters.

Sincerely yours,

L. B. Church
