Dear Sir or Madam:

Re: Amendment to License Number 45-09042-01

The purpose of this letter is to confirm that the Medical College of Virginia/Virginia Commonwealth University holds ownership of the Animal Research Facility, 121 Cheroy Road, Ashland, Virginia, and will enter into agreement with A. H. Robins Company to allow them to use a portion of the facility for radioisotope research at such time that their license amendment is approved for said purpose. It will be a condition of this agreement that all radiation safety precautions will be the responsibility of the A. H. Robins Company.

Should you have any questions or need any additional information, please contact Mary Beth Pappas, Radiation Safety Specialist, at the telephone number listed below. Thank you for your assistance.

Sincerely yours,

Dean W. Broga, Ph. D.
Director, OEHS
